STUDENT AND PARENT AGREEMENT

We, the student and parent or legal guardian, agree for the above named to enroll in the Dual Enrollment program offered in coordination with the school district and Indian River State College. We understand the course selection for enrollment will be authorized each term by the high school counselor **for courses that are creditable toward the high school diploma.** We understand that any course that ends after the date of the student's high school graduation is not eligible for Dual Enrollment. We agree to abide by the guidelines of the Dual Enrollment program, as well as the College policies and procedures, while enrolled in IRSC. We will cooperate with both the high school and the College in fulfilling responsibilities. We understand that any courses registered for, or grades received, become a permanent part of the student's college record. At the end of each semester, we authorize IRSC to forward grades to the high school. Because these credits apply towards high school graduation, **we understand it is the student's responsibility to receive approval from the high school counselor for permission to drop or withdraw from a Dual Enrollment course.**

We certify that all the information submitted in the agreement is true to the best of our knowledge. We understand that any misrepresentation of facts may result in the immediate cancellation of the student agreement or registration.
